HOUSE RULES

Recommended dress code: SMART CASUAL

No reservations required, but we suggest you always call ahead. We can only fit as many guests as we have seats. Calling us before entering is required, as we'd like to greet you in person and take you to your table. If other members of your party arrive at a different time, please let our host pick them up. Let us take care of you the best way we know.

Smoking indoors is not allowed. If you're out for a cigarette, close the door after yourself and give us a call when you're ready to join in again. Same rules apply for electronic cigarettes.

If you are a group of six or more people, we kindly ask you to settle your bill with no more than two card or cash payments.

Whisper Sister is a place for grown-ups who leave their kids and pets at home

No shouting, whistling or other loud behaviour, please. You are responsible for the behaviour of the guests you bring into our house.

We kindly remind you that removing items from the premises is considered theft. If you admire our coasters, menus, or glassware, please speak to our team — we'd be glad to assist.

We take allergies seriously. If you have any dietary preferences or intolerances, please, let us know.
